

A akkar **usa**

Akkar USA, a premier shotgun manufacturer based in North Kansas City, Missouri, combines traditional craftsmanship with modern innovation to create high-quality shotguns for both hunting enthusiasts and competitive shooters. Founded in Istanbul in 1985, Akkar USA expanded its operations to the U.S., now led by CEO, David Miller, who brings 17 years of experience in the gun industry. This U.S. extension strengthens Akkar USA's global presence, offering durable, reliable, and high-performance firearms to American consumers. Committed to excellence in every firearm produced, Akkar USA's products will provide durability, reliability, and performance in the field.
